NOTE Only the models corresponding to the listed sizes may be marked with the ECB•S fire certification mark. The door and detail drawings of the certificate 0906/SA13-02D are also applicable for this certificate.

To protect from fires from below it is recommended to anchor the storage units firmly on the floor.

The marking as ECB•S certified product, in compliance with this certificate, is only allowed with an original ECB•S certification mark as proof of conformity according to ISO/IEC 17065.
